Mr. Loren was present to present to the Board the idea of a motorcycle driving school. There would be no employees. He would have an office in his home strictly for business. The school would be by appointment only.

He would have one motorcycle available that would be trailered to go to the site of the lesson.

It was decided by the Board that there was no need to send this to the Jefferson County Planning Board for review as it is considered a home occupation.

Mel Locy made a motion to accept the application. Paul Locy seconded the motion. The motion carried.

Chairperson Podvin stated that an approval letter will go out on March 11, 2016.

A motion was made to adjourn the meeting by Paul Locy with Mel Washburn seconding the motion.
